**Mitochondrial Renewal Kit**

**Introducing The Restoration of Your Life**

**XYMogen® EP**

**EXCLUSIVE • PATENTED**

**Patient Benefits**

1. **Efficient use of macronutrients by the body**
2. Enhanced conversion of glucose into usable energy
3. Healthy aging
4. Exercise performance
5. Nitric oxide (NO) production
6. Cardiovascular and mitochondrial function
7. Improved endothelial function and resistance to oxidative stress

**Mitochondrial Renewal Kit**

**RESTORE YOUR METABOLIC EDGE**

**N.O.max ER™**

**ALAmax CR**

**Resveratin™ Plus**

**Supplement Facts**

**N.O.max ER™**

- **Serving Size:** 3 Caplets
- **Servings Per Container:** 60
- **Amount Per Serving:**
  - **Alpha-Lipoic Acid (thioctic acid):** 150 mg
  - **Mitochondrial Starter Kit:** 875 mg
  - **Mitochondrial Support Kit:** 200 mg

**ALAmax CR**

- **Supplement Facts**
  - **Serving Size:** 2 Caplets
  - **Servings Per Container:** 60
  - **Amount Per Serving:**
    - **Alpha-Lipoic Acid (thioctic acid):** 50 mg
    - **Mitochondrial Starter Kit:** 250 mg
    - **Mitochondrial Support Kit:** 150 mg

**Resveratin™ Plus**

- **Serving Size:** 1 Capsule
- **Servings Per Container:** 60
- **Amount Per Serving:**
  - **Alpha-Lipoic Acid (thioctic acid):** 25 mg
  - **Resveratrol:** 75 mg
  - **Quercetin (as quercetin dihydrate):** 250 mg
  - **Pterostilbene (pTeroPure®):** 10 mg

**Dosage**

- **N.O.max ER™:** Take one to two packets per day, or as directed by your healthcare practitioner. Each packet contains 450 mg of L-arginine alpha-keto glutarate (AKG).
- **ALAmax CR:** Take one to two packets per day, or as directed by your healthcare practitioner. Each packet contains 200 mg of L-arginine alpha-keto glutarate (AKG).
- **Resveratin™ Plus:** Take two capsules per day, or as directed by your healthcare practitioner. Each capsule contains 50 mg of Alpha-Lipoic Acid (thioctic acid).

**Other Ingredients:**

- Cellulose and cellulose derivatives, stearic acid, magnesium stearate, silica, and medium-chain triglyceride oil.

**Warnings:**

- Keep closed in a cool, dry place out of reach of children.
- Do not exceed recommended dosage.
- Consult your healthcare practitioner prior to use.
- Individuals with a medical condition (including diabetes or cold sores), that are taking prescription medications, or planning to undergo surgery should consult with their healthcare practitioner prior to use.

**Further Information:**

- For more information, refer to the Medical Research Institute.

**Clinical Studies:**

2. Johnston AP, De Lisio M, Parise G. The process by which new mitochondria are produced inside your body's cells is known as mitochondrial biogenesis. In light of the many metabolic and protective effects of mitochondria, we integrated the knowledge of how they are produced into our Mitochondrial Renewal Kit. The process by which new mitochondria are produced inside your body's cells is known as mitochondrial biogenesis. In light of the many metabolic and protective effects of mitochondria, we integrated the knowledge of how they are produced into our Mitochondrial Renewal Kit.***
