PROFESSIONAL USE ONLY
Not for resale on third-party websites, including, but not limited to, Amazon® and eBay®.

DIRECTIONS: Take one capsule daily, or as directed by your healthcare practitioner.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner. Do not use if tamper seal is damaged.

truebroc® broccoli seed extract is obtained using a patented process to extract glucoraphanin (also known as sulforaphane glucosinolate or “sgs”) from its most concentrated cruciferous source—broccoli seeds. Glucoraphanin is enzymatically converted to the extensively researched isothiocyanate known as sulforaphane (SFN). Research suggests that SFN supports long-lasting antioxidant activity, and the production of detoxification enzymes. It also extends support to the immune, nervous, and cardiovascular systems, addressing maintenance of good health throughout adult life. OncoPLEX® provides 30 mg of glucoraphanin per capsule.*
