

PROFESSIONAL USE ONLY

Not for resale on third-party websites,
including, but not limited to, Amazon® and eBay®.

DIRECTIONS: Take two softgels in the morning, preferably after breakfast, or as recommended by your healthcare practitioner. Do not crush or chew softgels.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner, especially if you have coagulopathy or are taking an anticoagulant. Do not use if tamper seal is damaged.

OmegaPure Krill™ features K-REAL® Antarctic krill oil, which provides the omega-3 fatty acids (EPA and DHA) attached to phospholipids as well as to triglycerides. Clinical testing suggests that this molecular composition absorbs into red blood cells, reduces the n-6:n-3 PUFA ratio, and increases the omega-3 index more effectively than fish oil. Krill oil is also naturally complexed with astaxanthin, which provides powerful antioxidant activity and helps stabilize the oil.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

STORAGE: Keep closed in a cool, dry place out of reach of children.

DOES NOT CONTAIN: Wheat, gluten, yeast, soy protein, dairy products, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, or artificial preservatives.
