Not for resale on third-party websites, including, but not limited to, Amazon® and eBay®.

DOES NOT CONTAIN: Wheat, gluten, soy, animal or dairy products, fish, shellfish, peanuts, tree nuts, egg, artificial colors, artificial sweeteners, or artificial preservatives.

STORAGE: Keep closed in a cool, dry place out of reach of children.
Product is not intended to diagnose, treat, cure, or prevent any disease.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

To protect the bacteria from light and moisture, each flavoring- and sweetener-free serving of ProbioMax 350 DF comes in an opaque, foil-lined stick pack.
bacterial cultures, such as fermented foods.

With the 18 different strains of health-promoting bacteria provided in ProbioMax 350 DF, the impact on multiple body systems and functions—such as on immunity, digestion, metabolism, and cytokine production—is maximized because different strains have slightly different functions and are concentrated in various places along the digestive tract. Using a variety of strains also mimics a healthy diet that includes foods containing live and active bacterial cultures, such as fermented foods.

ProbioMax® 350 DF features a diverse blend of HOWARU® and FloraT® probiotic strains to support a healthy gut microbiome. Each strain is well-researched and identity-verified and has been genetically characterized and properly classified for your safety and assurance. These strains were not only selected for their health benefits and complementary actions but also for their viability and stability.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner. Do not use if stick pack is damaged.
DIRECTIONS: Dissolve the contents of one stick pack (350 billion CFU) into 2-4 oz of pure water and consume once daily, or take as directed by your healthcare practitioner.

ProbioMax® 350 DF

PROFESSIONAL USE ONLY

Serving Size: 1 Stick Pack (about 4.5 g)
Serves Per Container: 15

Supplement Facts	
Amount Per Serving	% Daily Value
