To further support resistance to low pH and the delivery of microorganisms to the small intestine, XYMOGEN employs Dcaps™ gastro-resistant capsules.

These specially designed, innovative capsules help slow exposure of actives to stomach acid and ensure more targeted release. Each capsule is sealed in a nitrogen-purged blister pack to provide protection from heat, moisture, and oxygen, factors known to compromise probiotic stability.*

*These statements have not been evaluated by the Food and Drug Administration.

ProbioMax® Lean DF features vegetarian, gluten- and dairy-free, patented HOWARU® Shape *Bifidobacterium animalis* subsp *lactis* B420. This probiotic strain has been proven safe, effective, and well-tolerated. It has been shown to assist with healthy body composition by improving gut barrier function, supporting the reduction of body fat mass, and promoting less calorie consumption.*
